

(tear this card out along the perforation, may it bless you and direct your prayers for Saltmine)

PRAY FOR SALTMINE

*"This is the day
that God has
made; we will
rejoice and be
glad in it."*

Psalm 118:24

PRAY FOR SALTMINE

FAVOUR

We thank God for His protection over our team's health and wellbeing during this pandemic climate, and for the steadfast support of so many. Looking forward to 2022, we ask for continued prayer over our team's health and favour for future partnerships.

BELIEF

Visualising the process of the work we do and why it matters requires encouragement and faith. Discouragement – from finance, from circumstances – can become an easy distraction. Please pray that we press on, with trust and joy, to see God's kingdom realised.

LOVE

Love for another. Love for our community. Love for each partnership we are in. We work with a wide range of people; schools, police, charities, councils etc. Please pray that the Peace and Spirit of God would be flowing through us at all times.

CHRISTMAS

We need prayer whilst navigating this new season. We are a missional resource for the church yet with so much uncertainty around it can be hard to plan even a few months ahead. Our partnerships with churches are crucial; please pray for confidence and wisdom in our decision making.
