

SALTMINE

MAKE YOUR OWN MINI BEAST...

Draw or cut out pictures from life, or use things from nature to make your own beast.

Use these questions to help:

- What colour/colours is it?
- Does it have legs? Wings? Lots of eyes?
- Can it fly?
- Where does it live in the sky or on the ground?
- Does it have a pattern on its body?

MY MINI BEAST IS CALLED A...
